

Görlitz accommodation for the Science Meeting

Görlitz is a town in eastern Germany, on the Polish border. It's known for its well-preserved old town, where buildings of different eras show off a wealth of architectural styles. It is very popular with tourists, especially in the summer months and will be busy in June over our 'Science Meeting' week. There is a limited amount of accommodation available, therefore we have agreed some room blocks for a short period of time.

The following hotels/apartment and lodgings have been held for attendees of the SKAO Science meeting up until 14th April 2025. Attendees are advised to book accommodation at the same time as confirming their registration. Room blocks and rates may not be available after this date.

Please quote **SKAO** when booking the accommodation.
