

Build your very own SKAO Dish!

*What it
should
look like!*

-  Colour in your SKAO Dish
-  Cut along solid lines.
Keep the cut-out in a single piece.
Ask for a dult to help to cut the slots
-  Gently fold along the dotted lines.
Note the final shape as pictured left
-  Assmble by gently pushing
Lettered tabs into lettered slots.
Use sticky-tape to hold in place.
